

PURPOSE OF THE NORTHEAST HEARTH, PATIO & BARBECUE ASSOCIATION

(Revised Version, 2002)

- *To provide a format for the education, Interaction and unification of industry members.*
- *To promote all aspects of the hearth, patio & barbecue industries to the general public, as well as regulators, legislators, environmental agencies and other concerned interests.*
- *To perpetuate the existence of an established, organized, functional and mobile body of industry members that is able to respond to industry concerns that may arise, particularly potential regulatory initiatives.*
